SCHEDULE OF CONDITIONS

Condition 1

Subject to Conditions 2 and 3, the equipment shall be as set out in the application and submitted plans and the site operator shall operate the development in accordance with the provisions of the application, submitted plans and all supporting information.

Reason: To ensure that the appropriate mitigation measures, strategies and procedures detailed in the application and supporting information are implemented in continuing to operate this site.

Condition 2

Commencing from when the existing top nets become end-of-life, the site operator shall obtain Argyll and Bute Council's consent to the colour and style of replacement top nets and their means of support.

Reason: In the interests of visual amenity of the area.

Condition 3

In the event of equipment falling into disrepair or becoming damaged, adrift, stranded, abandoned or sunk in such a manner as to cause an obstruction or danger to navigation, the site operator shall carry out or make suitable arrangements for the carrying out of all measures necessary for lighting, buoying, raising, repairing, moving or destroying, as appropriate, the whole or any part of the equipment so as to remove the obstruction or danger to navigation.

Reason: In the interests of navigational safety.
