SCOTTISH GOVERNMENT PLANNING PERMISSION No FFA/HLD/005

SCHEDULE OF CONDITIONS

Condition 1

Subject to Conditions 2, 3 and 4 the equipment shall be as set out in the application and submitted plans and the site operator shall operate the development in accordance with the provisions of the application, submitted plans and all supporting information.

Reason: To ensure that the appropriate mitigation measures, strategies and procedures detailed in the application are implemented in continuing to operate this site.

Condition 2

In the event of equipment falling into disrepair or becoming damaged, adrift, stranded, abandoned or sunk in such a manner as to cause an obstruction or danger to navigation, such works (including lighting, buoying, raising, repairing, moving or destroying the whole or any part of that equipment) as may be needed to remove the obstruction or danger to navigation must be carried out.

Reason: In the interests of navigational safety.

Condition 3

The site shall be maintained in good order, should be low-profile and all surface equipment, with the exception of navigational markers, shall be finished in a dark matt neutral colours, sympathetic to the adjacent landscape, unless alternative finishes are agreed in advance in writing with the Planning Authority.

Reason: To minimise the visual impact of the installation.

Condition 4

At least three months prior to cessation of use of the site for fish farming, a scheme for the decommissioning and removal of all equipment shall be submitted to and agreed in writing with the Planning Authority. Upon cessation the approved scheme shall be implemented.

Reason: To ensure that decommissioning of the site takes place in an orderly manner and to ensure proper storage and disposal of redundant equipment in the interest of amenity and navigational safety.
