Dear Stakeholder

**TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997
FINALISED CLACKMANNANSHIRE & STIRLING STRUCTURE PLAN 3rd ALTERATION
PROPOSED MODIFICATIONS**

The Scottish Ministers have considered the submitted finalised Clackmannanshire & Stirling Structure Plan 3rd Alteration. They have taken into account the objections and representations received. They propose to modify the Alteration and they have advertised notice of the proposed modifications, inviting comments and formal objections to be submitted to the Scottish Government's Directorate for the Built Environment by 5 June 2009.

Our records show that you objected to or made representations to Scottish Ministers regarding the Clackmannanshire & Stirling Structure Plan 3rd Alteration.

The documentation is enclosed, and may also be inspected at Clackmannanshire Council's offices at Greenfield and at Kilncraigs in Alloa, at Stirling Council's office at Viewforth in Stirling and at public libraries. A form for making objections or representations is also enclosed, although objections need not be on the form.

You can also inspect the documentation at the Scottish Government website www.scotland.gov.uk/planning from 21 April 2009, which will also give advice on how to make objections to the modifications.

You may do so by writing to:

Sandra Carey,
Scottish Government,
Directorate for the Built Environment
2-H, Victoria Quay
Edinburgh EH6 6QQ

or by e-mail to:

B2514795
Victoria Quay, Edinburgh EH6 6QQ
