I think it should be Lorna. But I'm not convinced about doing a photo opportunity without a purpose.

It might be helpful to have a 'status report'. I also saw in the system a bid from Trump to meet him in Scotland. I think it all needs to be pulled together to get a definitive agreement from FM. Otherwise it's a guddle with lots of different people doing different things.

Also – there are pitfalls associated with the golf resort – and I want to keep a tight handle on it all.

If you could pull it together that would be helpful

Cheers

R

Rachel,

I'm happy to speak to SDI if it'll help. I can always rely on FM thinking about this while overseas....

Who should I talk to? Julia?

Mike

This is a wee problem because I asked him for a steer for SDI, which I gave them (I'll send it on a mo) – but it was earlier in the week – so this one over rules my one.

I'll circulate it – and if any reconciling needs doing, am happy to do it

Susan/Rachel,

The message sent back from Australia from FM on 17th March was that he would like consideration to be given to setting up a photo shoot with him and Trump in NYC during Tartan Week.

Hope this helps.

Hi Rach

Thanks for this, but I got a note from Mike end of last week saying FM wanted a photo-op with DT while in New York (see below).

Can we clarify if this is the case before I push this further with Trump's people.

Cheers

Susan

Susan

First Minister has asked for detail on:

b) the number of Trump golfing resorts outside of the US.

Also, he would also like consideration to be given to setting up a photo shoot with FM and Trump in NYC during Tartan Week.

Thanks

Sorry about this – I thought that FM wasn't bothered about a photo opp in the States – but wanted Trump to be invited to one of our events. But – if there was clear progress on Trump stuff – we should maybe re visit doing a picture with him?

As you know FM is keen to do a photo call with Mr Trump while he is in New York.

Trump's people have come back, looking for possible times, but as I don't have FM's latest programme for Tartan Week I can't advise them yet.

Could someone send it on to me, or is it easier if Michael gives me some options to put to Trump's people?

Cheers

Susan
