Dear Mr Gray,

I am writing on behalf of the Tayside Local Orthodontic Committee in response to your request for comments on the recently published consultation paper "Modernising NHS Dental Services in Scotland."

As providers of specialist NHS orthodontic care in Tayside, we wish to emphasise that as part of this consultation process, due consideration should be given to ensuring the continuity and future development of NHS specialist orthodontic provision in Scotland, within the primary care setting.

We would also appreciate your comments on the planned model to deliver this care, under the proposed restructuring of NHS dental services in Scotland.

Yours Sincerely,

Duncan McIntosh
Chairman Tayside LOC.
