Dear Colleague

MODERNISING NHS DENTAL SERVICES IN SCOTLAND: CONSULTATION

As you will recall, the above consultation was launched in November last year. You were sent a copy of the paper (also available on the web at <http://www.scotland.gov.uk/00018542>) and were invited to comment by 5 March 2004.

I am writing to let you know that because of significant interest in the consultation, **the deadline for receipt of responses has now been extended by a month to 2 April 2004**. This will allow as many people and organisations as possible to contribute their views and ideas on the future of NHS dental services in Scotland.

If you have not already sent a response and now wish to do so, please fill in the enclosed form and send with your contribution as it will help us to handle it appropriately. We will make all responses available to the public in the Scottish Executive Library by 30 April 2004 and in full or summary form on the Scottish Executive consultation web pages by 7 May 2004, unless confidentiality is requested.

Yours sincerely

DR HAMISH WILSON
Head of Primary Care Division
