 has been swept for the presence of computer viruses.

Hi
 Charges - up to a maximum of £372 - who the hell can afford this. Better to
 have all your teeth out and not incur any more costs.

I suppose we are lucky, a dentist comes to Gairloch, only 13 miles away,
 twice a week, just don't have toothache at any other time. Even dentists
 have to make a living and are the NHS payment scales adequate - probably
 not. Add the levels of bureaucracy loved by officialdom and who is going to
 do the job especially in an area of low population density like Wester Ross
