

SCOTTISH EXECUTIVE

Environment and Rural Affairs Department

**NITRATE VULNERABLE ZONES GRANT SCHEME:  
RANKING OF SCHEME APPLICATIONS  
RANKING SCORE SHEET**

In order to complete this form you will need to refer to your Farm Waste Management Plan (FWMP). For each question, a points score is indicated. Once the ranking threshold score is announced, you will be able to judge whether or not your application is likely to be accepted into the Scheme. It may also be necessary to re-assess the ranking score following inspection of the holding.

SCOTTISH EXECUTIVE

**Making it work together**

1. What percentage of land available for spreading is within the Nitrate Vulnerable Zone (NVZ)?

**POINTS**

%.....

Add 1 point for each % point
