Dear Mr Ferguson

**SUPPORTING POLICE, PROTECTING COMMUNITIES:
PROPOSALS FOR LEGISLATION**

Thank you for your letter dated 10 February on the above matter.

I have drawn the attention of the SPL Board to your consultation paper and I have been asked to intimate that your proposals have the broad support of that board. You should also be aware that much good work has already been done in this territory by SPL and its Clubs working closely with their local police forces and other football authorities. I am sure your team will not underestimate the contribution this work has made.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Iain Blair', is written over a light blue circular stamp.
