--

## Part 2 - Declaration

I, the undersigned, being the owner or agent of the owner, hereby declare that, to the best of my knowledge, the bull named in Part 1 is not the progeny of a dam (or in the case of a bull born as a result of embryo transfer-dam or surrogate dam) in which Bovine Spongiform Encephalopathy has been confirmed.

I apply for approval of the bull named in Part 1 for use in the artificial insemination of cows and declare that to the best of my knowledge and belief, the details shown on this form, including supporting documents where applicable, are correct.
