Signature Date

Name (please print) Phone number

Email address

Return of Scottish Salmon and Sea Trout Rod Catches 2023

The enclosed letter provides background information regarding this form. Complete and return the form as soon as possible after the end of the fishing season and **not later than 31st December 2023**. Failure to return a completed form within the required timescale, or to make a false statement is an offence. The maximum penalty is £1,000.

If you fish more than one river, you are required to report your catch for each river separately. If the fisheries listed in part 5 cover more than one river, please contact us using the information above to arrange separate forms for each river.

Retained and released net catches also require to be reported. Contact us if you require a net form, or download a blank form from

<https://www.gov.scot/publications/marine-publications-collecting-salmon-and-sea-trout-fishery-data/>

Part 1. Data Privacy

To allow us to identify which of the data we hold are personal, please indicate if you are reporting catch and fishery information as, or on behalf of:

An individual	An angling club or association	A partnership of		A sole trader	A trading company	A charitable organisation	A public or statutory body
		3 or fewer	4 or more				

Other (please provide details):

Part 2. Contacting You

We may have questions about the information provided on this form. Please provide details of someone we can contact (if different to Part 6):

Name Phone Number

Email address

Part 3. Recording a Nil Return

Part 5 describes potential fisheries covered by this form. Even if no fishing took place this year we still need to hear from you. *A return indicating that no fishing took place provides us with valuable information.*

If fishing took place by rod & line during the 2023 season, **please go to part 4**

If no fishing took place during the 2023 season **tick this box and complete parts 5 and 6**

If there is no intention to fish in this area for the foreseeable future and you would like the fishery to be treated as a dormant fishery, **please tick this box.**
